## National Teachers Council

### Promoting excellence and innovation in teaching and learning

NTC is a professional educators' organization, committed to propel advancement in the teaching profession by offering modern approaches and scientific materials. The aim is to promote teacher advocacy and professionalism as well as student collaboration and competition, without a partisan agenda and financial motivation.

### Guiding principles behind the model question papers

Mock examinations, if framed right, can be incredibly beneficial for students. They can help students plan effective revision strategies, start revising early and improve their performance in Board Examination. Above all, they equip the students to handle by themselves the pressure of examinations and guide them to move forward
